RE: Disabled Veterans Insurance Career, Inc.  
In-Kind Donation

Dear Joseph:

Thank you for the in-kind services of assisting with agency acquisitions for Disabled Veterans Insurance Agency (DVIA), free advertising on your website AgencyEquity.com, and for sending two separate fund-raising mailings to your client base on behalf of DVIC for a total value of \$1,000.00

Because of the generosity of our donors and supporters we were able to hire four disabled veterans who have completed our insurance training and education program. One of our veterans is now employed at Hub International's Midwest Division in Chicago. Another veteran has accepted a position with Midwestern Risk Advisors in Wisconsin. One of our two veterans in Southwest Florida has accepted a position with BB&T-OTC in their Miami office. The other veteran was offered a position from two insurance agencies; one in Fort Myers and one in Naples.

We now have a class of six new disabled veterans, three of whom are in the Fort Myers office, two in Leavenworth, Kansas and one in Austin, Texas. All started our insurance training and education program this summer in August and are scheduled to complete the course at the end of January 2016.

Again, thank you for your continued interest and support and for standing with DVIC. We encourage you to look at our website, [www.DVIC.US](http://www.DVIC.US) to see our current class of veterans.

Sincerely,

**Gary L. Bryant**  
President and CEO
